Larry S., Livonia, MI

Affiliating with iPROMOTEu was a great business decision for me! The myriad of services that they provide—invoicing, order follow-up, financing of orders, preferred vendor pricing, idea and resource exchange, etc.—allow me the time to do what I do best and enjoy the most: sell. My sales are up almost 30% from last year! My partnership with iPROMOTEu has been a profitable one in both dollars and lifestyle.

Retain Your Independence

Keep Your Name, Keep Your Ownership, Maximize Your Success

We believe in the independence of our Affiliates. Because we're a network of independent business owners (not a franchise), each Affiliate operates their distributorship under their company name and remains in charge of their business, orders, and strategy.

Most importantly, each Affiliate's clients are theirs from beginning to end. We are here to support and provide Affiliates with the resources they need to succeed.

iPROMOTEu Affiliates always retain their independence; they operate under their own name and identity, and they maintain complete freedom and control regarding their business.

Community & Collaboration

Being a business owner is tough, but you don't need to do it alone! iPROMOTEu has established private networking groups to empower and strengthen our Affiliates while fostering communication and collaboration. If you're looking for inspiration and want to exchange ideas, share experiences, connect with your peers, and learn from their successes, there is no better place than the iPROMOTEu Affiliate community.

Education & Training

Get the insight and knowledge you need to succeed from day one. Our team takes time to understand our Affiliates' business needs and helps plan and execute a course of action that will bring the best results.

Vendor Relationships

Close relationships with leading industry suppliers allow iPROMOTEu to offer facility tours, vendor-hosted training programs, webinars, and more. Our vendor partners are also an integral part of our networking functions, celebrations, forums, showcases, and events.

Legendary Events

We are known for events that are memorable, impactful, and fun! At every function and industry event, our Affiliates have unmatched opportunities to network with each other, preferred vendors, and top industry experts.

I can never say enough good things about iPROMOTEu and what you offer the Affiliates. Your staff is awesome and always so accommodating.
